### **Antenna Research Assoc**

Antennas, Feeds and Accessories for Military & Commercial applications. Earthstations, RADAR, SIGINT, INMARSAT, GPS, Comms.

[www.ara-inc.com](http://www.ara-inc.com)

### **ARS Products**

Your Source for RF signal distribution, Switching, Beamsteering, Beamforming, Cancellers and RCVR Dynamic Range Extension.

[www.arsproducts.com](http://www.arsproducts.com)

### **Coleman Microwave**

Secret Clearance. Co-axial & waveguide fixed and tunable filter sub-assemblies up to 40GHz primarily using cavity designs. Di, Tri, Quadplexer and band reject designs. High power capable to several kW CW & MW pulse designs.

[www.colemanmw.com](http://www.colemanmw.com)

### **ComNav Engineering**

Ceramic resonator, Lumped and Cavity Microwave Filters in surface mount and connectorized packages. Download the Free Dionysus Filter Design Software by ComNav

<http://www.comnav-eng.com>

### **Engin-IC**

MMICs in GaN, GaAs, SiC, InP, and CMOS for Mil, Space & commercial use. High linearity narrow and wideband amplifiers, high dynamic range LNAs in bands from 1 to 90 GHz, GaN PAs for mm-wave SATCOM, beamformers and innovative passive circuits.

### **Frequency Management Intl.**

OcXO, TCXO, VCXO & Crystals for hi-rel and extreme environments.

<http://www.frequencymanagement.com>

### **General Microwave**

Secret Clearance. DLVAs, Beam formers, IMAs, Frequency converters, Sources, Attenuators, Switches, Phase Shifters, Vector Mods, Switched filter banks; all up to 40GHz.

### **Luff Research**

Frequency Synthesizers, PLOs up to 25GHz for Industrial, Commercial and Test applications.

[www.luffresearch.com](http://www.luffresearch.com)

### **Orolia/Spectratime Atomic Freq. Sources**

Rubidium, MASER, Crystal and integrated GPS/GNSS clocks for terrestrial and space applications.

[www.orolia.com/products/atomic-clocks-oscillators](http://www.orolia.com/products/atomic-clocks-oscillators)

### **QuarterWave**

Complete line of TWT amplifiers covering 500MHz to 90GHz available as standard products or in custom configurations with power supplies

[www.quarterwave.com](http://www.quarterwave.com)

### **Relcomm Technologies**

Coaxial Electromechanical Switches for Wireless and Microwave Communications.

[www.relcommtech.com](http://www.relcommtech.com)

### **Transline Technology**

RF/Microwave rigid & Flex multilayer PCBs in a variety of Rogers, Taconic & Arlon materials.

[www.translinetech.com](http://www.translinetech.com)

### **Winchester Interconnect**

RF & Microwave interconnects and cable assemblies up to 100GHz. PCB mount, SMP, SMPM, SMA, BNC, N, 1mm etc. Hermetic assemblies & connectors in Al, W and a variety of alloys. Laser Weldable Coaxial connectors and Ds, Micro D etc.

<https://www.winconn.com>

### **TRU CORP.**

Custom Interconnect Solutions. High performance cable Assemblies and connectors.

<https://www.winconn.com>

### **Tekna Seal**

Hermetic seal assemblies made of metal, glass, and ceramics. Oxide-Free glass sealing process for aerospace industrial & medical applications.
